

Behavioral & Developmental Consulting

As a parent, you are the single greatest change agent in your child's life. By engaging in skills training, psycho-education, and in-home implementation of effective interventions, parents will effect a more sustainable and immediate change that will remain long after consultation comes to a close.

Creation of **VISUAL SCHEDULES**

Successful implementation of **INCENTIVE-BASED BEHAVIORAL PLANS**

CHANGE & TRANSITION PLANNING

Setting **CLEAR & LOGICAL EXPECTATIONS**

Planning and executing **MEDICAL & DENTAL VISITS** through gradual exposure

COLLABORATIVE PROBLEM SOLVING strategies for parent and child

Strategies for processing excessive worry thoughts that prevent child from engaging in the community

Utilizing **SOCIAL STORIES & CARTOONS** to address executive functioning challenges, behavioral issues, and confusing life events

Understanding and **ADDRESSING AGGRESSIVE BEHAVIORS**

IEP & 504 planning
